**NOMINATIONS FOR OFFICERS
FOR 1932 AND 1933**

Because of the action taken by the
Conference at its annual business ses-
sion last June in Minneapolis, the
Committee on Nominations will bring
in two sets of nominees for officers
and members of the Executive Com-
mittee of the Conference. The first
set of nominees are for election at
Philadelphia for the year 1932-1933.
This election will be held on the old
plan of voting by those present at the
annual meeting in Philadelphia. The
Committee on Nominations will also
announce at Philadelphia a set of nom-
inees for election at the annual meet-
ing in 1933 at Detroit, for the year
1933-1934. The Detroit election will
be held on the new basis of "vote by
mail" which will enable every quali-
fied voting member of the Confer-
ence to cast his ballot regardless of
whether or not he is present at the
annual meeting.

Mr. Shelby Harrison, the Chairman
of the Nominating Committee, realiz-
ing the unusual importance of the
work of this Committee this year, is
extremely anxious to have a wide-
spread expression of opinion from the
members of the Conference as to nom-
inations. Please send your sugges-
tions directly to him at 130 East 22nd
Street, New York City. Each set of
nominees calls for one or more can-
didates for President, 1st, 2nd, and
3rd Vice-Presidents, and ten nominees
for members of the Executive Com-
mittee to serve a term of three years,
five of whom are to be elected. Please
give this question serious considera-
tion and send your suggestions to Mr.
Harrison.

**INVITATION FOR THE ANNUAL
MEETING OF 1934**

The Time and Place Committee will
hear the invitations for the annual
meeting of 1934 at Philadelphia. Al-
ready Montreal and Toronto, Canada,
have indicated their intention of in-
viting the Conference. Kansas City
has served notice for several years
that they intend to keep on inviting
the Conference until they get it.
There have been one or two inklings
from other cities that they might also
invite the Conference. The representa-
tives of the cities inviting the Con-
ference for 1934 should plan to be at
Philadelphia for the first meeting of
the Time and Place Committee on
Monday, May 16th.

Information concerning the require-
ments of a city entertaining the Con-
ference may be secured from the Con-
ference office. Official invitations
should be sent in advance to Mr. W.
Frank Persons, Chairman of the Com-
mittee on Time and Place, 713 Tower
Building, Washington, D. C. All in-
vitations should be accompanied by
the uniform information and guar-
antee blank which may be secured
from the Conference office.

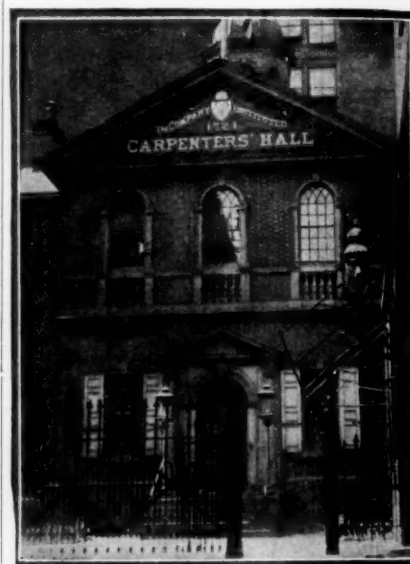

Hotel Reservations

It is none too early now to send
in your hotel reservation. Latest re-
ports from Philadelphia are that many
people have already reserved their
rooms for the week of the Confer-
ence. It is a case of first come, first

served. Mr. Frank Devine, Conven-
tion and Tourist Bureau, 12th and
Walnut Streets, Philadelphia, Chair-
man of the Committee on Hotels and
Housing, will be glad to do his best to
give you the kind of a room you want,
located where you want it, and at the
price you want. If he can not give you
exactly what you want, he will do
the next best thing possible. Send
hotel reservations directly to Mr. De-
vine. We suggest that you use the
blank for that purpose on page 15.

**THE SECOND INTERNATIONAL
CONFERENCE OF SOCIAL
WORK**

Dates:—Since the announcement of
dates of the International Conference
in the November Bulletin word has
come from Germany that the Confer-
ence will close on the night of July
14th instead of continuing through the
15th as originally planned. However,
an extra session of each of the Com-
missions will be held on one of the

afternoons early in the Conference,
probably Monday, July 11th. The
opening session of the Conference will
be on the night of July 10th and the
first plenary session on the morning
of July 11th. Each Commission will
hold four meetings during the week.
The final session of the Conference
will be on Thursday evening, July
14th.

American Headquarters:—Arrange-
ments have been made for hotel head-
quarters at Hotel Monopol Metropole
on Gneisenau Strasse. The hotel will
serve as a rendezvous for American
delegates. Many of them will wish
to stay here.

There will also be an American
headquarters established in a booth
near the general Conference Head-
quarters in the convention building.
An attempt will be made here to keep
a complete file of American delegates
and to have available information re-
garding the Conference and consulta-
tion opportunities.

Program—A tentative program was published in the last issue of the Conference Bulletin. It was hoped that by this issue we could also publish the names of the speakers, but the complete list has not yet reached us from Germany. It is expected that the complete program will be available for publication in the next issue of the Conference Bulletin about April 1st. In the meantime reports from the International Conference office at Frankfurt indicate that an increasing number of countries are participating in the program preparation work so that the discussion of the important subjects will represent a wide variety of viewpoints.

The Program Preparatory Commissions in the United States are all at work and in some cases have already forwarded some material to the Secretariat of the International Conference at Frankfurt.

Program Preparatory Commissions in the United States—Since the last issue of the Bulletin, Program Preparatory Commission 6, The Importance for the Family of Cultural Efforts on Behalf of Young People and of Adult Education, has been organized and is now at work. Its membership is as follows: E. C. Lindeman, New York School of Social Work, New York City, Chairman; Mrs. S. Gruenberg, Child Study Association of America, New York City, Vice-Chairman; Albert J. Kennedy, National Federation of Settlements, New York City; Howard Braucher, National Recreation Association, New York City, New York; Lyman Bryson, California Association for Adult Education, Los Angeles, California; Thomas L. Cotton, Foreign Language Information Service, New York City; Karl de Schweinitz, Community Council of Philadelphia; Margaret Edwards, School of Home Economics, Alabama College, Montevallo, Alabama; Thomas Eliot, Sociology Department, Northwestern University; Harry L. Glucksman, Jewish Welfare Board, New York City; Eugene Kinckle Jones, National Urban League, New York City; Benson Y. Landis, Federal Council of Churches of Christ in America, New York City; Ruth Larned, International Migration Service, New York City; Gertrude Laws, Los Angeles, California; Mabel Leslie, Art Workshop of the Rivington Neighborhood Association, New York City; Rhoda McCulloch, National Board, Y. W. C. A., New York City; A. J. Muste, The Fellowship of Reconciliation, New York City; Flora M. Thurston, National Council of Parent Education, New York City; Miriam Van Waters, Massachusetts Reformatory for Women, Framingham; Edna White, National Council of Parent Education, New York City.

Helen L. Myrick, Society for Mental Hygiene, Chicago, and Florence Nesbitt of the United Charities of Chicago, have been added to Commission 2, Social Work and the Family. Miriam Van Waters, Framingham, Massachusetts, has been changed from Commission 3, Broken Homes as a Sociological, Educational, and Social Problem, to Commission 6.

Official Delegates—Any social work or allied organization in the United States interested in sending a representative to the International Conference of Social Work at Frankfurt-am-Main, Germany, is welcome to do so. There will be no official delegation representing the United States as a whole with credentials issued from the office of the National Conference of Social Work or from any other source. Membership in the International Conference is personal and open to any and all who are interested.

German-American Institute—Plans are going forward steadily for the German-American Institute. A number of reservations have already been made at the Conference office. The program was printed in the last issue of the Conference Bulletin. The German speakers are as follows:

Dr. Walter Friedlander, Director of the Child Welfare Department of Prenzlauer Berg, northern district of the city of Berlin, President of the Child Welfare Committee of the *Hauptausschuss für Arbeiterwohlfahrt* and Professor of the *Seminar für Wohlfahrtspflege* in Berlin;

Mrs. Adele Schreiber, member of the German Reichstag for many years, Vice-President of the International Women's Suffrage League, and lecturer in the United States in 1924;

Dr. Hertha Kraus, Cologne, Stadtdirektor, head of the Welfare Department of the city of Cologne. She has been in America twice and has worked with the Friends-Organizations in Germany in the years during and after the war;

Bürgermeister Pick, Stettin, well known in Germany for his experiments to secure paid work for the unemployed, for building houses for tuberculosis families and one of the experts of the German unemployed problem;

Oberstudiendirektor Dr. Müller, Wuppertal-Barmen, head of a girls' school in a western city of the Reich, was in America and Canada in 1931. In 1928, he was Professor at Northwestern University;

Dr. Ruth Weiland, General Secretary of the Deutsche Zentrale für freie Jugendwohlfahrt and of the Reichsarbeitsgemeinschaft für Jugendberufshilfe—und Heilfürsorge (JEHRAG). In 1927 and 1929, Dr. Weiland lectured at the University of Chicago, addressed the National Conference of Social Work at Des Moines, Iowa. She is a member of the board of the Union Internationale de Secours aux Enfants in Genf.

In order to cover the expenses of the German-American Institute, a special admission fee of \$2.00 will be charged. Reservation can be made by payment of the fee at the office of the National Conference of Social Work in Columbus. Make checks payable to Raymond Clapp, Treasurer, Committee on International Conference of Social Work.

Membership—Any person interested is welcome to become a member of the International Conference of Social

Work. The membership fee is \$5.00 and covers the entire period of the Conference. It is not an annual fee. The membership fee may be sent to the office of the National Conference of Social Work for which a temporary receipt will be issued. Checks should be made payable to Raymond Clapp, Treasurer, Committee on International Conference of Social Work. The membership cards will be issued early in the spring. There are now over two hundred members in the United States.

Special Subscription—In addition to securing members in the International Conference of Social Work, the Committee on International Conference in the United States is responsible for securing a direct appropriation of approximately \$2000.00. Each country participating is making a similar appropriation the size of which is based upon its population. In the United States this amount is being raised by individual subscription. It is hoped that a large number of social workers and friends of social work will wish to share in this. It is desired that there shall be an expression of good will and cooperation from as large a number of the friends of social work as possible. If 1500 individuals subscribe an average of \$2.00 it will furnish not only this direct appropriation but the funds needed by the Committee on International Conference to carry on its work of cooperation with the Secretariat of the International Conference. Subscriptions should be sent directly to the office of the National Conference of Social Work, from which they will be promptly acknowledged. Checks should be made payable to Raymond Clapp, Treasurer, Committee on International Conference of Social Work.

Seminar Travel Groups—Since the last issue of the Conference Bulletin several changes have been made necessary in the arrangements of the Seminar Travel Groups. The Group on Prisons and Correctional Institutions has been withdrawn due to the inability of Mr. Moran to assume this leadership. A new one has been added on Adult Education under the leadership of Mr. E. C. Lindeman. The two general hospitality groups have been combined into one under the leadership of Mr. Paul T. Beisser of Baltimore. It is with great regret that we have to announce that Mr. Emil Steger has found it impossible to carry through his plan of leading the Seminar Travel Group on Family and Child Welfare. Mr. Kenneth L. M. Pray, Director of the Pennsylvania School of Social Work, has assumed the leadership in his place. Mr. Kenneth Widdemer has also found it impossible because of pressure of business to go abroad this summer, but Mr. Homer Calver, formerly Secretary of the American Public Health Association, has assumed the leadership of the Public Health Group.

The final revised itineraries, statements of costs, etc., and all of the details may be secured from the Open Road, 20 West 43rd Street, New York City.

RAILROAD CERTIFICATES REDUCED FARES TO PHILADELPHIA

Arrangements have been made with the various passenger associations to have the reduced railway rate for Conference members attending the annual meeting at Philadelphia next May. A change has been made in the arrangement this year so that persons attending the Conference will have a thirty-day return privilege. Reduced fare is one and one-half the full fare one way. The identification certificate entitling Conference members to the reduced fare will be mailed to all Conference members on March 28. If you have not received yours by April 10 notify us at once.

Under the regulations of the railway we can not issue railroad certificates except to bona fide members of the Conference. Member agencies receive a supply for staff and board members. The dates of sale this year have been arranged to permit arrival at Philadelphia as early as May 12th if one wishes to attend Associate Group meetings that are held prior to the opening of the Conference itself. Detailed instructions as to the use of certificates, dates of sale, return date, routing, etc., will be sent with each certificate.

Conference Registration

All members of the National Conference of Social Work attending the annual meeting in Philadelphia may register for the Conference without the payment of an additional fee. Agency members will have issued to them prior to the Conference a supply of identification forms which enables them to designate members of their staff or board who can also register without the payment of the usual registration fee.

Regular organization members whose membership fee is \$25.00 per annum, will have ten of these certificates. Organization members paying the Sustaining Membership fee of \$10.00 will be supplied with four. It is important that organization members issue these registration certificates to members of their staff or board who are attending the Conference.

There was considerable confusion at the registration desk last year when representatives of member organizations wished to register without the payment of the registration fee but did not have their proper identification with them. These will be issued

RENEW

Renew your membership. In these busy days, we all stand in need of a bit of memory jogging. To you who have failed for one reason or another to send in your check for annual membership when due, we are offering this little reminder. Though "little" in some respects, it is **big** for our Conference. Each and every member is a person of very considerable importance. If we had money above our needs, we still would be solicitous about the continuance of our pleasant relationship with you. The absolute need of funds is a spur to the urgency of our request. Please receive this invitation cordially, and if your membership is in arrears, let your check be forthcoming. Act on the nonce. Renew.

CHARLES C. STILLMAN,
Treasurer.

directly to the member organizations from the Conference office about April 10th.

Each member of the Conference is urged to bring his membership card with him and present it when registering. It saves confusion and settles all argument.

Non members of the Conference are all welcome at the annual meeting but a registration fee of \$2.00 will be charged to such non members.

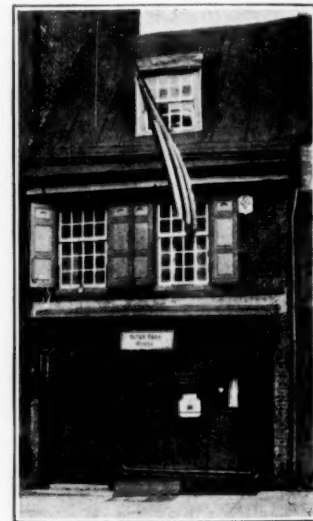

Get Acquainted Dinner

The Get Acquainted Dinner organized last year by "Uncle Aleec" was such a great success that plans are being made for another one this year. It will be held on Monday evening, May 16th, in the Ballroom of the Benjamin Franklin Hotel. A special program of very brief informal talks by outstanding leaders of the Conference is being arranged. The purpose of this Get Acquainted Dinner is to enable newcomers to the Conference to become easily acquainted with each other and with people from different sections of the country. It is a good idea to make friends early in the Conference week. No introductions are necessary and all who wish are welcome. Arrangements are being made so as to provide for the advance sale of tickets in order to avoid the congestion at the Conference ticket office the first day or two of the Conference. Look in the May Bulletin for the complete details.

Conference Dinner

We wish we could announce now the plans for the Conference Dinner, but for good reasons the announcement of the details of the program

will have to be withheld until the next issue of the Bulletin. However, we can say this. For the first time

Courtesy Conventions and Exhibitions Bureau
Philadelphia Chamber of Commerce
BETSY ROSS HOUSE

in several years there will be adequate seating capacity. The Dinner will be served on the floor of the Municipal Auditorium. It is expected that the Dinner will be in honor of a most noteworthy occasion in social work and that the program of brief addresses will be from such outstanding leaders that no person attending the Conference will want to miss this occasion. The Conference Dinner will be held on Wednesday evening, May 18th, at 6:30 P. M., and will be followed by the President's reception. In the next issue of the Bulletin, plans will be announced for making reservations for this dinner in advance of the Conference.

Treasurer's Report To The Members National Conference of Social Work

Your Treasurer herewith presents his report of income and expenditures for the fiscal period June 1 to December 31, 1931, and the budget of income and expenditures for the fiscal year January 1 to December 31, 1932.

Change in Fiscal Year—At its meeting on January 6, 1931, the Executive Committee of the Conference authorized the change of the fiscal year of the Conference from June 1-May 31 to January 1-December 31. The new fiscal period (the calendar year) facilitates more accurate budgeting and the preparation of comparable figures from year to year. Under the old June 1 to May 31 period, it occasionally happened that two annual meetings of the Conference were held within the fiscal year. In each case during the next fiscal year there was no annual meeting of the Conference. The result was that in one year the figures were large as compared with the following year, a condition which did not reflect the true situation.

The Executive Committee at Minneapolis adopted a budget for the fiscal period June 1 to December 31, 1931, a seven months' period which would complete the calendar year of 1931.

Treasurer's Report June 1 to December 31, 1932—The budget presented to the Executive Committee and adopted by it for the fiscal period, June 1, 1931, to December 31, 1931, covered a seven-month period during which the Conference has the heaviest of its expenses such as the printing of the Proceedings, the expenses incident to the annual meeting, etc. It is also a period where six of the seven months are months of relatively low membership income. Therefore, the budget adopted for the seven-month period estimated a deficit at the end of that period of \$5209.26, consisting of \$2300.00 of unpaid bills on the Proceedings which had been carried over and an estimated operating deficit of \$2909.26. The memorandum statement of accrued resources and liabilities at the end of the seven-month period shows that the actual deficit amounts to \$3000.09.

Due to the fact that some guaranteed memberships due prior to December 31, 1931, had not been sent in, although they will ultimately be realized, and that there has been advanced to the Committee on International Conference, by authorization of the Executive Committee, over \$1500.00 which in turn will be repaid during the next fiscal year, it was necessary to carry over into the fiscal year \$6769.51 of unpaid bills. Of this amount \$5858.04 represents two bills of printing, the Proceedings and Quarterly Bulletin, which were not submitted until December 31, 1931.

Budget for 1932—The budget for 1932 is also herewith presented. It is the expectation of your Treasurer that the budget will be balanced on December 31, 1932. Estimates of income from membership either through renewal or new memberships are based on a conservative consideration of the experience of the past two years, 1930 and 1931. Unless the rate of renewal and the rate of new memberships, in view of the estimated attendance at Philadelphia, is greatly less than the experience of the past two years would indicate, this income should be realized. The balance of the estimated income represents either guarantees or relatively small items based on the

experience of the past year. The estimated expenditures call for carrying on the Conference on about the same level as for the past two years with rigid economy in office operation and in all other ways where economy can be practiced. There are only two new items of any significance, the addition of expert publicity service at the time of the annual meeting and another full time stenographer in the Conference office rather than part time service as used last year. Because of rearrangement of staff work, this means a net increase in salaries of \$500.00.

Membership—Your attention is called to the report on status of membership on December 31, 1931, as compared with the same date of 1930 and of 1928. The membership record prior to December 31, 1928, was not analyzed to give comparable figures.

After careful consideration and discussion the Executive Committee at its meeting on January 5, 1932, voted its approval of the Treasurer's report for the fiscal period June 1, 1931, to December 31, 1931, and adopted the budget for the fiscal year 1932 as presented.

The Secretary and/or Treasurer will be very happy to receive comments, criticisms, or suggestions from any member of the Conference.

Respectfully submitted,

CHARLES C. STILLMAN,
Treasurer.

NATIONAL CONFERENCE of SOCIAL WORK

82 North High Street

COLUMBUS, OHIO

AN INVITATION TO YOU

An amount of money running into hundreds of millions, far more than in any similar period, will be expended this year in various forms of social work and particularly in an effort to relieve distress due to unemployment. No longer is social work a matter of private concern to a few individuals. It is a matter which concerns practically every local government, every state government and the national government itself. If any justification is needed for conferring on these matters at Philadelphia May 15th to 21st, this fact alone would seem sufficient.

Tremendous as are the responsibilities connected with the administration of unemployment relief and the removal of the causes necessitating it, these are by no means the only reasons why social workers and board members should give the matter of attendance at the Philadelphia Conference their serious consideration. Our country and other large portions of the world have become relief-conscious, so that the future of organized social work, in the many forms as we know it, may be at stake. The conventional methods and theories of social work are being challenged. Never before in the history of the world have social workers been called on to face so critical a situation as at present. We must analyze the new trends, determine what is good and seek to adjust our activities accordingly. What could be more reasonable than that we should come together to consider our common problems and to gain the best information and ideas that we know how to secure.

Twenty-six years ago the National Conference of Social Work, then called the National Conference of Charities and Corrections, held at Philadelphia the largest session in its history. It was a notable Conference and there is every reason to believe that the one in May will be of like character. Those who attend will not only have the inspiration and help that is certain to result from the discussion of common problems, but in Philadelphia and neighboring cities they will have opportunity to come into immediate contact with some outstanding examples of the best organized pieces of social work that can be found anywhere in America.

Whether or not you are a member of the Conference or a social worker or a board member of some social service organization, if you have a real interest in human welfare, you are cordially invited to this great Conference.

CM Bookman

President.
